FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular dated 22nd October 1945.

To

All the Amildars and Taluk Treasury Officers.

Subject :—Alteration in the date fixed for the disbursement of pay to primary school teachers.

No. 191—TAD. B. II. According to the existing procedure, the Amildars who are the Disbursing Officers should cash the bills for pay, grants and T. A. of all employees in Primary Schools at the Treasury and arrange to make disbursement to the teachers of schools at a distance of less than 5 miles from the Treasury, not later than the second Saturday in the month (giving them previous intimation of change of date fixed for such payment, if and when necessary) and remit on the day on which the bill is cashed by money orders the amounts due to the teachers residing beyond that distance.

2. The Director of Public Instruction states that representations are being received for the disbursement of the pay of the Primary School Teachers much earlier, (namely, on the 5th of every month as provided for in G. O. No. 8529-39—Edn. 33-18-3, dated 8th March 1919) owing to the hard conditions of the teachers. As the pay of the teachers of schools situated 5 miles or more from the Treasury is now remitted by money order the number of persons coming to the Treasury for payment is smaller than heretofore and the Treasury work in respect of personal payments to teachers is thus reduced. Further, as the countersignature of the pay bills of the Primary School teachers by the Elementary Education Officers has since been dispensed with, the Assistant Inspectors of Education can send the bills much earlier than before allowing sufficient time for the Treasury to scrutinise them.

3. In the above circumstances, the Amildars are requested to cash the salary bills of Primary School teachers and arrange for the disbursement of pay to the teachers on the 5th of every month (or on the next working day, if that day happens to be a holiday), the money orders for teachers of schools situated at a distance of 5 miles or more being sent on the same pay. The Assistant Inspectors of Education have already been instructed by the Director to send the bills to the Treasury not later than the 2nd of every month and to close the schools on the 5th of every month (or on the next working day if that day happens to be a holiday) to enable the teachers to receive their pay and also to hold and attend the Teachers' Association Meetings on that day.
